# DEKORAMI

designed by Marcante/Testa

Dekorami è la nuova collezione di ceramiche in gres smaltato disegnata dallo studio Marcante-Testa per Ceramica Vogue. Il disegno delle strutture tridimensionali, pur avendo un linguaggio contemporaneo, utilizza forme geometriche elementari che evocano elementi decorativi del passato come suggerito dai 3 nomi che le contraddistinguono: Kolonne, Koriandoli e Kodici. La collezione è composta da 3 disegni nel formato 25x25 cm, proposti in 5 colori in superficie lucida e 3 colori in superficie satinata. Completa la gamma il fondo liscio in abbinamento.

*Dekorami is the new collection of glazed stoneware tiles designed by the Marcante-Testa firm for Ceramica Vogue. The design of the three-dimensional structures, despite their contemporary language, uses simple geometrical shapes that bring to mind decorative elements from the past, as suggested by their three names - Kolonne, Koriandoli and Kodici. The collection is made up of 3 designs in the 25x25 cm format, available in 5 colours with a glossy surface and 3 colours with a satin-finish surface. The range is completed by the matching smooth base.*
